## FREQUENTLY ASKED QUESTIONS

1. I heard dirty hair works best, is that true?

It is best that you have **clean** and **completely dry hair** that morning. You can wash the night before or the morning of the wedding but it must be dry. When you dry your hair, it is recommended to use a mousse in it to ensure staying power for your bridal style. Also wear a top that is zip up or a button down blouse.

2. How should I prep my skin for makeup?

Please **remove all makeup, exfoliate** and **moisturize** your face the night before. You can wash and moisturize the morning of the wedding as well.

3. Do I need to make a deposit?

There is no initial deposit. When you send in the form, you will provide billing information. That information **will only be charged in the event of cancellations**. Please refer to the page entitled Terms and Conditions for details on cancellation fees.

4. How far do you travel for on-site services?

We will travel up to an hour to provide on-site services **for parties of 4 or more**. If you are within 30 minutes driving time of our salon, there are no additional fees, just the standard on site pricing as listed on page 1. **If you are between 30 and 60 minutes away from the salon, there is an additional \$75 fee added to the final bill.**

5. Can everyone pay separate or do I have to pay with one payment?

For **on-site** services, you must pay with **one credit card** that we call into the salon, or everyone can pay cash separately. Our traveling stylists do not carry change if you decide to pay cash. In salon services can be paid any way you like.

6. Will you do a Sunday wedding?

We will do Sunday weddings! There will be an additional fee of \$25 per Stylist. If 2 stylists and one makeup artist are needed, that would be an additional fee of \$75 total.
